I certify that this insurance company is licensed to do business by the Texas Department of Insurance or is an Eligible Surplus Lines Carrier. I further certify that this policy meets the minimum requirements for a Class A Air Conditioning and Refrigeration Contractors License with aggregate amounts of no less than \$600,000 or for a Class B Air Conditioning Contractor's License of no less than \$200,000 as defined below.

Signature of Authorized Insurance Representative

Printed Name

Date

CLASS A

A Class A license requires commercial general liability insurance of at least:

1. \$300,000 per occurrence (combined for property damage and bodily injury);
2. \$600,000 aggregate (total amount the policy will pay for property damage and bodily injury coverage); and
3. \$300,000 aggregate for products and completed operations.

CLASS B

A Class B license requires commercial general liability insurance of at least:

1. \$100,000 per occurrence (combined for property damage and bodily injury);
2. \$200,000 aggregate (total amount the policy will pay for property damage and bodily injury coverage); and
3. \$100,000 aggregate for products and completed operations.

CANCELLATION

Should any of the above described policies be cancelled or reduced, the insurance carrier shall endeavor to notify the Department at least 60 days before the cancellation or nonrenewal by the insurance carrier, and not more than 10 days after nonrenewal or cancellation by the insured.
